

Eastern Basin Communities
Municipal Portion of 2020 Quarterly Sewer Rates

This chart shows the quarterly sewage bill for 12,000 gallons and represents only the municipal portion of the bill. ALCOSAN's quarterly charges of \$119.86 should be added to calculate the total sewage bill in each community.

^This symbol beside the community name indicates that the municipal sewer rate portion of a customer's bill did not increase from 2019.
